

5,6,7,8.....Recital!!!

Can you Believe It's finally Here...

I'm certain when you first signed your dancer up for classes at Synergy last Fall, recital seemed do far away. But, here we are, on the verge of our annual show already. Recital packets were mailed out in May, some made it to the correct houses and some found there way back to Synergy, if you did not receive yours in the mail please stop at the front desk and I'm sure it's there waiting for you. If you have any questions after you review all the information don't hesitate to ask anyone at Synergy for help. More information will be coming as we get into June. The Mendelssohn Theater is a beautiful venue with a colorful history. Please make each show a special time for your family by visiting one of the many restaurants in downtown Ann Arbor. Remember call time is one hour before each show, please be punctual. There will be many Synergy helpers on hand to guide you to the proper dressing room and help make your dancer's show the very best. If you would like to help, chaperone sheets are at the desk .

Act II 7:30-9:00

Synergy Gives- Back.....

If you've heard a rumor that boys dance free at Synergy next year, you're not hearing things, it's true!! Synergy is so grateful to the community for making our first year such a success that we're ready to give back to you. Check out the fall schedule for our "boys only" classes or register your male dancer in any age appropriate class. All boys will receive free tuition for the 2010-2011 dance year from. Once again... Thanks!

DANCER-PALOOZA— A HIT!!!

You've saw the flyer, you've heard all about it, and many of you were there. Dancer Palooza was a great success. We met many new friends that day and had some great

classes for our current students. Those of that missed it are in luck because Synergy will host another "Palooza" next Fall to welcome everyone back and showcase

our amazing teachers. Keep your eye on the website for more information or stop in the studio anytime over the summer.

Congrats to Erin Moore for winning our "Name the Synergy Bear Contest" Erin chose "Fosse" as our Bear's name and won a gift certificate to Candilicious down the street... Congrats!

Summer and Fall Schedules Are Out...

The new class offerings are posted and current Synergy students are already registering for summer and fall. We always give current students first crack at registering for next year, especially because classes fill up so quickly. All students will receive an evaluation during their last class this year but if you don't want to wait until then check with your teacher if you need guidance for class choices. Also, if you don't see a class listed that you might like, don't hesitate to make a suggestion to us that we add it. The Synergy staff is here to accommodate you and make your dancers learning experience our first priority. We are happy to add classes to the existing schedule if we get enough interest.

Synergy Gear....

If you missed out on ordering your Synergy jacket or duffle bag, don't worry because we'll be back this summer with new gear, t-shirts, hoodies, boots and more... including our great studio jacket. Keep your eye on the website or check with the front desk to see when the next order is going out...

"Life is Great, Dance Makes It Better" T-shirts are available at the front desk. Get yours before they're all gone... \$15.00

Parking... the ultimate headache

Many of you have seen the gates that have gone up next door securing the parking lot to the south of the studio. I'm hoping that the harassment from the owner of Grape Expectations will now finally stop. Even though we caution you about parking there and the signs tell you not to, some of you still park there.

Please know that she plans on locking those gates whenever she feels like it. If you get locked in your car will be there until she decides to let you out. Please park in any of the other lots we've talked about at Synergy... all the other local merchants except for her share our parking lots. If you need any help

in

finding a spot please talk to the desk first before putting your car in jeopardy...
