DANCE - DRAMA - VOICE

Welcome to the start of the Holiday Season!!

## Costume Galore and More!

As we start settling into our chosen dance classes you will now see costume charges on your dance accounts. Costumes are an important part of the dance recital every year. It helps the dancers to feel special and makes the groups look more uniformed on stage. The kids have fun looking at all the different costumes chosen for each class in our costume book located at the front desk. Feel free to browse through it. Costume charges are due in full no later than November 14th to ensure your dancers costume will be ordered with the rest of their class. Late payments may be subject to extra charges for shipping. Please remember to turn in your costume measurement sheet at the front desk, it's our new tool to help get the best fit for your dancers.

**Synergy is closed Nov 24 to 27, enjoy this time with family and friends!**

Don't forget to check your account on line with

Synergy's new inter-active web program.

Request a password at the front desk and you can personalize it yourself. Keep current without having to wait for your night at the studio.
