## Welcome to another great year at Synergy!!!

We're only one month into our new year and already the kids are working hard and learning new dances. First up for us is our annual appearance in The Chili Cook Off. We are scheduled to dance on Sunday, October 9th from 2:20 to 3:05. Dancers and parents will meet at Synergy at 1:30 for a quick run through of our numbers, after that we can walk down to the corner and be "dancing in the street" Kids can wear any dance clothing, synergy gear, t shirts and shorts or if the weather dictates long pants or sweats... tennis shoes on the feet please so we don't ruin our dancing shoes. After the show you can stay downtown and enjoy the festival!

Even though October is only our second month of dance, a lot is happening at Synergy. We post studio info on the website weekly and copies of all hand outs are always available at the front desk. Synergy teachers will be giving you regular updates throughout the year on the progress of your dancers and their classes, free workshops will also be offered so keep an eye out for more information in future newsletters.

We are already talking recital and costumes and will be displaying our choices in the studio costume book over the next few months. All costume money is due by November 14th and costumes will be ordered by December 1st. We have decided to split our recital shows this year in order to keep them shorter and make your recital experience the best it can be. Line ups will go out in the Spring but you can plan on this: Recital dates—June 23rd and 24th with a dress rehearsal on Wednesday the 20th. If your dancer is ages 3-5, 5-7, 6-9 or in gymnastics you will be performing in the first show on both days, all other classes and ages will be performing in the second show each day.

Keep the lines of communication open with all of us throughout the year, we have lots in store for you .... Welcome to Synergy!

#### Studio Happenings in October

**Costume Measurement** sheets will be available to you at the front desk and will be emailed to your email address on file from your registration. You will be giving us your dancers sizes and measurements to ensure we get the best fit possible for their recital costumes. We're still here to help if you need us. Sheets must be turned in by **November 14th** along with your costume payments.

The week before Halloween **October 24th thru October 29th** is Halloween dress up week at Synergy. Your dancer can wear their costume to dance this week ... try not to be too scary!!!

Join us for Synergy's "**Monster Mash**" Halloween Party. **Friday, October 21st**, at the studio from 6:00pm to 8:00pm. We will provide games, music, tricks and treats for your little ones.

Make sure you have a current **2011** waiver in file with the front desk. Emails have been sent out to remind you but we still have several dancers that need this form completed. Please stop by the desk the next time you're at the studio and check your file.

### Synergy is inter-active.....
