

# Synergy Dance Academy

## COVID19 Policies and Procedures

### *General Safety & Health Procedures:*

- Masks are optional for all students, parents and staff while in our facility.
- Extra masks are available at the front desk for our students if needed.
- Dancers should bring their own water bottle to class. We will not be able to give dancers cups of water but we will continue to sell water for \$1.00.
- Hand sanitizing stations have been placed in every dance room and in our lobby.
- Office or staff members clean bathrooms throughout the night.
- High touch areas (barres, teacher stations, light switches, door handles) are cleaned after every class.
- Entire studio is disinfected at end of each night along with normal daily cleaning procedures.

### ***BEFORE ARRIVING AT SYNERGY***

- Do a personal health check. If your dancer or any immediate family member are showing any COVID-19 symptoms or have been exposed to anyone with COVID-19 they should stay home until all symptoms have subsided or you have been tested.
- Please provide your dancer with dance bag or backpack to transport any items needed for class.

Everything should fit in this bag. (I.e. Dance shoes, coats, pants, socks, possible even the water bottle.)

Thank you in advance for helping us keep our dancers and their families safe!!
