

The Synergy Dance Company is a separate division of Synergy Dance Academy. It is comprised of hard-working, dedicated dancers whose common goal is to further their dance education through workshops, competitions and master classes. We consider our Company more than just a team, we're a family, supporting each other and sharing our love of the dance world.

The Company holds auditions every June to select new members for consideration. These auditions are held at our rehearsal hall - The Annex, throughout a week of intensive classes. During this time new members are evaluated and new families are given the guidelines for the next season.

Being a Company member will be challenging, rewarding and memorable for every dancer we accept. The Company is meant for dancers that are serious about dance and are in need of taking their skills and education past a recreational level of dance.

We work hard... we play hard....we learn and we grow together. If you think you may be a candidate for our Company please send us an email at LTaylor@Synergy-Dance.com with your interest and we will respond to you promptly.
