

Synergy Study Club

Who is coaching my student?

Your student will still be receiving their instruction and assignments from their classroom or virtual school teacher. Our trained Club Coaches will assist your student with their assignments and ensure they make it to all of their virtual classes on time.

Will my child's dance classes be part of this study club?

No, our regular dance curriculum will be held in the evening according to our fall schedule. Students will receive a movement or stretch class if they are enrolled in the full day program.

Are lunches and snacks included?

All lunches and snacks will need to be provided by the parents. We do have a kitchen available to store anything needing refrigeration.

What equipment does my child need?

Families are responsible for providing all electronic equipment necessary for your child's education. This can include a laptop computer, tablet, power cord, wireless mouse, headset, and webcam. Please confirm with your school what is required for remote or virtual learning. Synergy will provide extension cords and surge protectors where necessary.
